\*Qualifying purchase amount must be on one estimate. A single item does not need to satisfy the minimum purchase requirement. All items on a single estimate (including tax, trim, and supplies) qualify toward the minimum purchase amount. Interest will be charged on the promotional purchase balance from the purchase date at a reduced 5.99% APR, and fixed monthly payments are required until paid in full. These payments are equal to 3.00% of the initial promotional purchase amount, rounded up to the next whole dollar. There is no penalty for prepaying the existing balance. Promotional financing is subject to credit approval. Contact us for other available promotions.
