

Logan & Champaign Mental Health, Drug & Alcohol Service Board

FALL 2016

**VOTE
YES**

HERE IS WHAT YOUR SUPPORT WILL PROVIDE IN THE COMMUNITIES...

The Mental Health, Drug and Alcohol Services levy is a .07 mil replacement levy. For the owner of a \$100,000 home this is \$.07 a day or \$24.50 a year.

This funding is used to provide outpatient and inpatient services to those in need in our communities. Additionally, there are many other programs that your dollars help to promote community health and wellness. Some of these include:

- 24 hour Crisis Services
- Maternal Depression Screenings
- Early Childhood Mental Health Consultation to Child Care sites
- Signs of Suicide lessons and screening to High School students
- Botvin Life Skills for 3rd and 9th Graders
- Drug Free Youth Coalition in Champaign County
- Family Children First Councils in Logan & Champaign Counties
- Random Drug Screens at area High Schools
- Logan/Champaign Suicide Prevention Coalition
- LOSS Team (Local Outreach to Suicide Survivors)
- Opiate Task Force in Champaign County
- CORE (Coalition for Opiate Relief Efforts) in Logan County
- Crisis Intervention Training for Police, Sheriff, and Jail personnel
- Mental Health First Aid Training
- Bridges Out of Poverty Training
- 40 Developmental Assets in the schools
- Jail Programs
- Drug Court programs
- VALE in Champaign County
- Recovery Zone
- Residential Administrators– subsidized Housing
- Indian Lake school Mentoring program

These and other programs are all funded from your \$.07 a day. The Board thinks this is a great use of your local dollars. We hope you agree and vote YES for the Mental Health, Drug, and Alcohol Services levy.

SERVING THE COMMUNITIES OF LOGAN & CHAMPAIGN COUNTIES

Support the mental health levy

The OPIATE EPIDEMIC

Logan and Champaign Counties have been impacted heavily by the opiate and heroin epidemic. No facet of our communities has been untouched.

In order to best address this devastating issue we need **EVERYONE** to be involved:

Recovering individuals, family members, churches, funding entities, provider and health care organizations, employers, medical practitioners, public health, child welfare, education, treatment providers, courts, and law enforcement

Get involved in our local Coalitions:

Logan County CORE

(Coalition for Opiate Relief Efforts)

Co-Chairs: tnicholl@mhdas.org &
smmarshall@embarqmail.com

Champaign County Opiate Task Force

Chair: slogwood@mhdas.org

- ◆ Unintentional overdoses caused the deaths of 3,050 Ohio residents in 2015 (highest number on record)
- ◆ A significant rise in fentanyl-related overdoses is key factor even in Logan & Champaign Counties.
- ◆ Unduplicated admissions for Opiate Abuse & Dependence in Logan Co—44.9%
Champaign Co 43.2%

Why is it needed?

The levy is needed to maintain the present level of services to the Logan & Champaign County communities.
